

Sports Update

St Joseph's receive Sainsbury's School Games Award

We are delighted to announce that St Joseph's have received the Sainsbury's Gold award for 2016-17.

This is the second year in succession that we have received the award and it is acknowledgement for our commitment, engagement and delivery in competitive sports within school and in all Middlesbrough and Trinity partnership competitions.

We are aiming for a hat trick of Gold's in 2017-18!

Mr Bartley

PE Co-ordinator
