

St Joseph's Sports Update

What an exciting start to the school sporting year we have had!

On the second day of the autumn term, we had a visit from Roary, MFC Foundation and BBC Tees as we embarked on our Daily Mile 'St Joseph's Run the world' challenge. Congratulations to all the boys, girls and parents who regularly turn up every day. Only a few thousand miles to go!

In the first half term, we have taken part in Football, Golf, Tag rugby and Cross Country events. We have already sent 14 teams to 7 different competitions!

Our sportsmanship has been fantastic in all events and we are very proud to have new additions to our trophy cabinet!

In the Boys Year 5/6 Football, the boys won the Plate trophy at Middlesbrough Sports Village on Friday 14th September.

In the Primary Schools Cross Country on Friday 21st September, Harry in Year 4, came 10th and qualified for the Tees Valley Cross Country competition.

In the Trinity Mixed Year 6 Tag Rugby competition on Thursday 18th October, our team performed amazingly well to win the trophy.

We can't wait for our next competitions after half term and to hopefully perform really well.

Mr Bartley
PE Co-ordinator
