

St Joseph's Sports Update

What a super ending to St Joseph's sporting year. We've had so many exciting events this half term. From Skipping festivals to Judo taster sessions, we have had so many children taking part in a diverse range of sports and activities.

On the 9th November, over 300 children took part in the 14-18 Daily Mile commemorating the end of World War 1.

On 15th November, Year 4 won the Trinity Sportshall Athletics competition with a brilliant team performance.

On 5th December, all three of our teams qualified for the Tees Valley Gymnastics competition at Middlesbrough College. All teams were amazing but special mentions must go to Year 5/6 who finished 2nd overall and to Charlotte James (3rd) and Lola Green Brady (2nd) for their brilliant performances in the individual event.

In our final event of the year, the Table Tennis team came second in the Table Tennis competition at Ormesby Table Tennis club.

St Joseph's have had an unbelievable sporting 2018 and we are all really looking forward to 2019.

Mr Bartley

PE Co-ordinator
